IMPORTANCE TO GET OUT AND VOTE

Now it is more important than ever to get out and vote and let your voice be heard. There is so much at stake here: We have our liberties, border safety, economy, and not to mention the future of our children and grandchildren. We must unite behind our republican conservative nominees. I encourage everyone between now and November 5th to do these three things:

Susie Stell — President

1. Educate yourself on the candidates before primaries and on the current issues.
2. Support the Republican nominee-tell your friends, put a sign in the yard, post on social media, block walk, phone bank, attend fundraisers.
3. Pray for our City, State, Country, and Republican candidates.

Finally, be strong and courageous and remember we have a right and obligation to get out and vote!

—Susie Stell

MEMBERSHIP

Make time to attend the school board meeting March 28th at 7 a.m. 1628 19th Street. School Board will vote "for" or "against" having chaplains in our Lubbock schools. Help make a difference in Lubbock Schools.

Membership 2024 started off with a BANG and almost came to a screeching halt when our website went down during the middle of the drive. As of 3.5.2024, our count is 186 members total (63 KTR, 84 Reg).

Our membership goal was to double from 2023, and while we hoped it would happen by February 29th, it did not. Due to the unforeseen website crash, the executive board has agreed to extend our membership drive until March 31st.

I am happy to announce that www.larw.org is back up and running thanks to the hard work of Melanie Ragland, Website Chair. Having the convenience of a website so that people can easily sign up and pay is a huge blessing! I do realize there are some who don't use the internet and I do not mind emailing or mailing a membership form to anyone who would like one. Can we count on you to help us reach our goal? Is there a relative, neighbor, fellow employee, or friend that you could ask to join LARW?

*Ecclesiastes 4:9 Living Bible
Two can accomplish more than twice as much as one,
for the results can be much better.*

Blessings to all,

Lisa Cox

CAMPAIGN HOURS

In 2008 after Obama was elected for his second term, I became alarmed at the direction our country was taking. Feeling as though I needed to do something to protect the values and principles America stood for, I developed an interest in politics that had never been important in my life.

LARW was not an organization I was even aware of, but eventually found my way here and began attending meetings and joined. When Susie asked me if I would be interested in serving as a committee chairman, I jumped at the chance. I am the committee chairman for campaign hours and awards. Susie's vision is for all the hard work that you ladies put in to get the recognition you deserve. It is not only for recognition but to encourage each of us to participate as fully as possible so that our conservative principles are advanced.

I will be placing a sign-up sheet at each table at our general meetings. Please add your campaign hours and calls so that I can record them. Alternatively, you can text me at 806-928-2525. Let's make this our best year yet. Our country needs us all to do our part.

NEWS AND NOTES

American—Land of the Free and Home of the Brave!

Hello, fellow Patriots!

March is the month of our Primary Election, the day we remember the fall of the Alamo (3/6/1836), St. Patrick's Day, and Spring Break, and Easter Sunday—the day when we celebrate our Risen Lord (3/31)! March is also the time of spring planting and enjoying the warmer weather with family & friends.

In many of our Texas schools it is this month that our Texas History and Americanism is taught. I found this quote from Pres. George Washington that you might enjoy. "We take the Star from Heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white shall go down to posterity representing liberty." I'm thankful for those wise Founding Fathers and their wisdom, bravery, & courage. And even now, in these perilous times we can be encouraged by Isaiah 41:13 "Fear NOT for I will be with you!"

Happy Birthday: Sen. Charles Perry, Rep. Carl Isett, Christina Maldonado, Janey Anderson, Jane Cansino, Vivian Finch, Judi Holmes, Kris King, Jessie Sjue, Nell Wylie, Connie England, Chuck Allmon, Laura Reagan, Janie Richards, & Pat Cowen

Prayer Requests: Don Workman, Sue Matthews, Kathy Chauncey, Jay Ragland, Mallory Miller, Frosty Poston, & Lisa Cox – May God give each of you strength, health, and peace. God bless America!!

RED DIALER APP – Calling for Statewide Voter Registration

LARW is currently working with Mary Heffernan (VEP-Volunteer Engagement Project) calling with Red Dailer App registering voters across the state of Texas.

Here are the following dates for zoom trainings with Mary Heffernan:

- March 18 2:30pm
- March 25 2:30pm
- April 1st 2:30pm

Please call or text me with your name/address/cell# and zip code so I can get you in the system. Once I receive your information, I will send you the Meeting ID and also the Passcode for the Zoom Training.

Please understand that we need each and everyone of you to help us win in this next General Election in November to keep Republicans elected in these positions.

Ted Cruz has a viable democrat opponent in November 2024 and the democrat donors will be pouring money into all these races in Texas.

We are the last stand out here, and we are blessed that we happen to live where we do, so we can still speak freely as Republicans.

TED CRUZ Campaign

SIDEKICK APP – (Calling)

Senator Cruz’s campaign will be using the SideKick App for Walking and Calling. They will be holding a once-a-month Day of Action for phone calling. For the Volunteers we may try and establish a location/date & time each month to host a Day of Action for Senator Cruz’s campaign. We will notify the volunteers when we have this planned. It should be fun to get everyone together for this Day of Action with some food and refreshments.

Please keep in mind that as we get closer to the November Election that we will be starting to plan not only phone calling but also block walking for Senator Cruz, my point is to get volunteers trained so we will be ready to go when that time comes.

YOUTH LEADERSHIP INSTITUTE

Liz Bisell out of Dallas is wanting to recruit 16 year old high school students and college students for training that are scheduled at the following locations and dates:

Nashville	4/20/24 & 4/21/24
Seattle	4/27/24 & 4/28/24

All Airfare/Hotels and Food will be paid for by a few generous donors that have the vision that this younger generation needs this training and exposure of how to get things done.

All I need from you is the following, the names of the individuals that would like to go to this training and I will send you the application form that will need to be filled out.

Please note: Time is an issue so please make a decision as soon as you can due to the logistics of getting airfare and hotels arranged. This is a great opportunity for the younger generation to take advantage of.

What you will learn

- Organize large numbers of volunteers and voters
- Increase the size and effectiveness of your group
- Motivate volunteers with exciting projects
- Host successful speaker events
- Develop eye-catching signs and literature
- Gain media coverage
- Organize activism projects you can implement immediately

Thanks to the generous support of Leadership Institute donors, a limited number of scholarships are available. To apply for a scholarship, please select "scholarship attendee registration," when applying for this training.

One free resume consultation is included in your registration.

If you know any college or High School student The Leadership Institute would like to put together a workshop for youth leadership. Get with Lynda Hogue and let her know if you are interested.
